Dear Ms. Tees,

Thank you for your recent correspondence and for bringing to my attention the resolution that was passed at the 2007 Annual General Meeting of the British Columbia School Trustees Association. As an elected representative, I believe that constructive dialogue with organizations, professionals, and other Canadians helps augment the work of Parliamentarians.

As the voice of the constituents of West Vancouver-Sunshine Coast-Sea to Sky Country in Parliament, I endeavour to take positions on this issue and others that reflect the views of everyone in my riding.

Again, thank you for writing. I look forward to working with British Columbia School Trustees Association in the future.

Sincerely,

Blair Wilson, Member of Parliament  
West Vancouver-Sunshine Coast-Sea to Sky Country
